

August 2009

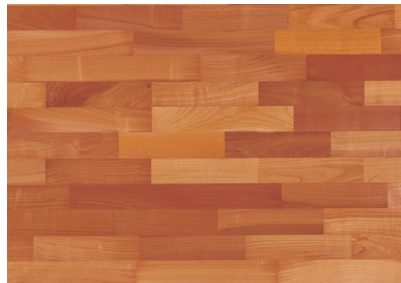

DERAblok

Solid Wood Worktops

Three exciting new timbers have been added to our
DeraBlok collection

Wenge

European Cherry

Zebrano

Each is available in 4100x650x40mm, 3050x900x40mm, and 3050x650x40mm and an upstand 3050x100x25mm. Each top has a 40-42mm stave width, is cut square and is individually wrapped.

A new display unit is also available together with samples and prices from our sales office on 01257 478540 or from your local sales manager.

For further details please contact your area sales manager, or the National Sales Line on **01257 478540**
